

Save Time

GO CASHLESS!

Your School District utilizes a POS (point of sale) system in the cafeteria that speeds service for all students. Instead of purchasing tickets or paying cash daily, you may have your cash or checks deposited into your child's account! Just like EZ Pass on the Parkway, this will reduce time-consuming transactions, and make our lunch lines move much faster!

Your pre-payment options are:

Checks

The cafeteria will accept checks payable to your district. Your child can bring the check to school and access that money the same day. Please be sure to put your student's name or ID number in the memo section of your check.

Good Old Cash

Of course we will continue to accept cash. Your student can direct us to put the change on his/her account.

Credit Card

You can place money on your child's account from your home computer. There is a convenience fee of 3.95% for each transaction.

NEW - PayFortl will now charge a minimum transaction fee of \$1.65 that will only affect deposits under \$42.

ACH Electronic Checking

This option allows you to use your checking account to add to your student's balance. There is a flat fee of \$1.75 for each deposit transaction.
