**Girl Scouts in Allendale want to form new Kindergarten troops for September 2021!**

As a Girl Scout Daisy, your Kindergartener will participate in fun activities and earn skill patches, all while making new friends during troop meetings. Throughout the Girl Scout experience, they will also go on trips, learn about nature and science and explore the arts, serve their communities—and so much more. Joining a Girl Scout troop as a Kindergartener is a wonderful place to make new friends and form connections that will last for many years.

Adult volunteers are needed to assist and co-lead troops. You only need to have passion and enthusiasm for helping girls learn new things, no prior Girl Scouting experience required. Troops cannot be formed without leaders. Free training and virtual troop options are offered.
