

Allendale Public Schools

“A Tradition of Excellence”

The Allendale Board of Education invites you to attend three meetings to ACTIVELY PARTICIPATE in creating our Strategic Planning Process! Our current plan is coming to an end in the fall of 2018.

Strategic planning creates a vision for the future and identifies goals and strategies necessary to move the district forward to meet the challenges of the 21st Century. We will be discussing the strengths, accomplishments and challenges of our School District; the vision and expectations for our schools and students; and the goals and objectives necessary to design our future. We are inviting staff members, parents, students, community leaders and other interested members of the public to work with us to effectively plan for the future of our District and students.

The process will be facilitated by New Jersey School Boards Association. You are not required to attend all three meetings, but rather you may attend one, two, or all three. A future Constant Contact will be sent with a link to RSVP for each meeting. Although not required, New Jersey School Boards Association prefers to have an estimated head count to determine the number of breakout rooms needed and supplies necessary.

Sessions will begin at 7:00pm in Brookside School’s Learning Commons
and are scheduled on the following dates:

Thursday, January 11, 2018
Thursday, February 15, 2018
Monday, March 19, 2018

**We hope you will join us and thus help formulate the plan that will
guide the direction of the District from 2018 – 2023.**

Sincerely,
Michael J. Barcadepone, Ed. D.
