

**ALLENDALE PUBLIC SCHOOL DISTRICT  
ALLENDALE, NJ 07401**

**PROOF OF RESIDENCY**

Re-Registration – Incoming Grade 4

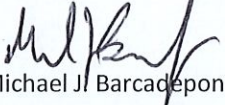

Dear Rising 4<sup>th</sup> Grade Families,

As the school year comes to an end, I would like to take this opportunity to thank you, for what I believe has been, a challenging but tremendous year. The Allendale School District continues to excel at a time when many public schools are moving backwards, or at best, standing still. As an Allendale resident, your child is entitled to attend the Allendale School District. It is important to ensure that only the appropriate students are being educated on a tuition-free basis.

When you originally enrolled your child in the District, you provided residency verification documentation. This year, the Board of Education has revised the practice for registering a student to require re-enrollment of all students entering Grade 4 and transitioning to Brookside School as well as the required documentation.

Please see below for more information. Thank you for your attention and cooperation with this matter.

Sincerely,

Michael J. Barcadepone, Ed.D.  
Superintendent of Schools

The Allendale Board of Education requires that you provide the following information:

Allendale Physical Address: \_\_\_\_\_

Names of Student(s):

Student Name (Print)	Age
